## SOCIAL SERVICE BY A SOURASHTRA PERSON

K.M. Venkatesh, aged 40 (Undergraduate Chemistry) awarded "Community Service Award" by Rotary Madurai North on 12th March 2020. He has been a medical representative for 19 years. His wife Sumathi, father K.S. Mahadevan and mother Vijayalakshmi.

He was happy to gift the trees on friends house warming ceremony, birthday and wedding day, it is made him very happy for the day. He started planting trees everywhere he goes.

All the world nations face the threat of climate change, he realized that planting country trees is the right solution to prevent climate change and global warming, various NGOs are coming forward. They plant many trees along the road and set up fences.

While riding in a bicycle everyday to play badminton in some places the fence is damaged, he couldn't go without seeing them.

October 2018 he got his father's bicycle, and in the rainy season, he tried to make sure that the trees inside the fence got rid of the debris inside the tree so that he could get at least rain water to the tree with the help of a friend. with it, he adjusted the fences of many trees and saw the change in the trees subsequently, on the morning of August 15, 2019 we planted 40 trees at Madurai under the permission of Sri Sekhar.

ABC Badminton Academy, 150 family members of Rotary Madurai North together we made 30000 seed balls and threw them in government hospitals and public places in October, November and December 2019.

Subsequently, work on the Pongal festival was completed by obtaining permission to plant 20 saplings at the ESI Medical Center, ABC Badminton Academy Women's Team on Women's Day and together with the ABC volunteers, we planted 20 trees on the Housing Board.

His friends, in my endeavors, are encouraging him more and more by doing physical and material things with him. Going by bicycle from 7 am to 8 pm with the intention of being a day to day, with the joy of doing the job he is doing to keep moisture in people's minds and soil, he has often posted my records under the heading of moisture.

The journey will continue...

## Saurashtra Language At A Literary Event In Britain

Saurashtra language for the first time ever, has been introduced at a literary event in Britain. The 20th Anniversary of "International Mother Language Day - 2020" was celebrated at the "Portcullis House" in "House of Commons" British Parliament. The event was hosted by Sri Bob Blackman, M.P., and organized by "Sanskriti Centre for Cultural excellence".

A daily by name "Asian Lite" published in London, Dubai and New York, dated 14th March 2020, carried the following news. "British Parliament celebrates Linguistic Diversity of India. The event had 17 Indian Languages presented. Rarely heard Indian languages like Saurashtra, Ladakhi and Bishnupriya Manipuri were highlighted and recited. (Ladakhi), Dils Lakshmindra Sinha (Bishnupriya Manipuri). The Saurashtra poem was presented in this event by Ms.Kamalini Somalinga. A published compilation of all these works titled "Kaavya Sugandha" was also released on the occasion."

### THOUGHTS

Thoughts are very strong. The thought does not turn out to be as powerful as it once was. When a thought is repeated, it begins to take power. That power is what drives it.

"Thousands of times the elephant dies," said the elder. That is why in the temples Lakscharcharna, Kodiarcharna.

The power of thoughts attracts those who have the same thoughts. Further strengthening. It affects many as waves. Inspires many to action.

Thoughts can be called Brahmas. Because they have the power to create what they think. If an idea is unable to be done, it means that a different idea is stronger than it is, and that it is struggling.

So whatever thoughts are on our minds, they are the ones that have brought us to this stage today.

If our present condition is not satisfactory, we must first change our thoughts. \* \* When thoughts change, everything changes accordingly. This is an unchanging reality.

There is no greater sin than patience. There is no greater pleasure than satisfaction. There is no higher power than compassion.

Despite the failures. Eliminate it like a dark-skinned katravan and then step foot in the next victory step. Not until you can, but until you reach your goal.

### GOOD HABITS

Good habits learned at an early age can help you to live better, avoid problems, and be more helpful. Saving habits is one of those special habits.

The level of instruction at home and schooling from an early age on saving is widespread.

It is a proverb that "toothbrushes help dentures." Even a small amount of savings will cater to the small needs of students.

The mind, initially thought to be something, is a surprise with a small storage box packed.

The reason is the expression of the joy of saving hundreds of rupees, five rupees, ten rupees, and the importance of saving. Savings are only available to help with emergencies.

Even the food we eat, the water we drink, and the savings are clearly visible.

The rice we eat is not the same. Numerous rice jointly feeds us and cures hunger.

The combination of small droplets becomes a thirst-quencher. And so is the savings.

The combination of small amounts helps us to benefit after a while.

Looks like the short duration of availability. In the present context, every minute that is wasted is a loss.

So let's immediately get into the good habit of saving. Because nowadays is an economic age. Living a stable income requires a stable income. To protect against unexpected expenses

### The Five W's Of Life

**Who** you are is what makes you special. Do not change for anyone.

**What** lies ahead will always be a mystery. Do not be afraid to explore.

**When** life pushes you over, you push back harder.

**Where** there are choices to make, make the one you want regret.

**Why** things happen will never be certain. Take it in stride and move forward.
